ACCOUNT ON US

October 29, 2020

Our Organization, St. Cloud Chamber of Commerce is very impressed with Orange Fresh Cleaning, Nondier Arboleda and Andres Villegas and any of their employees they have helping them. They are very professional and go far beyond our expectations and are making a great reputation for themselves. They treat our Chamber as if it were their very own and we appreciate their friendliness and Professionalism very much.

St. Cloud Chamber of Commerce

Glenn-Ellen Howell
Accounting Manager
